

APPENDIX A

The present application was originally filed in April 2004. A Revocation of Prior Power and new Power of Attorney to Bernard J. Lacomis was accepted on December 27, 2005. On February 16, 2006, a Notice of Allowance and Fee(s) Due was mailed to Bernard J. Lacomis. On June 9, 2006, a Supplemental Notice of Allowability was mailed to Bernard J. Lacomis. Neither Mr. Lacomis, nor anyone associated with Mr. Lacomis, made me aware of either Notice. According to USPTO records, on July 11, 2006, a Notice of Abandonment was mailed to Bernard J. Lacomis. Neither Mr. Lacomis, nor anyone associated with Mr. Lacomis, made me aware of the Notice.

In early 2008, I made efforts to transfer my patent matters from Mr. Lacomis to Attorney Sullivan. Mr. Lacomis has, despite many efforts by myself and counsel, failed to forward any of my files to me or my new counsel. Attorney Sullivan learned through Public PAIRS that the case had gone abandoned and informed me. Attorney Sullivan's communication to me was the first I heard of both the allowance and the abandonment. I immediately began working with Attorney Sullivan to the present petition and file an issue fee. At no time did I, the applicant, intend or desire to abandon the present application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
